What to expect

Implementation	Enablement	Coaching
Technical go live in 1–2 weeks Business go live in 2–6 weeks	Role-based training and instructor-led courses	1:1 technical, adoption, and governance sessions

Length of time and amount of enablement/coaching depends on your selected package.

> " **Collibra's professional services were excellent throughout our implementation, and we met our project go-live date without any delay... I would highly recommend them because I have been in IT for 20 years, and this is honestly the smoothest implementation I have ever been a part of.**
